

Remarks

The Applicants acknowledge the Restriction Requirement and hereby elect Group IV, including Claim 95.

The Applicants have also added Claims 193 and 194 from the parent application, Serial No. 08/809,156, and respectfully request that they be added into the Official File. Those claims are numbered 96 and 97, respectively.

We respectfully request that Claims 96 and 97 be examined on the merits, inasmuch as Claim 96 refers specifically to the same SEQ. ID No. 5, and that the examination of both claims would not present a burden on the Examiner with respect to either searching and/or examination.

Respectfully submitted,
